SINCE 1935

EVER-CHANGING.
ALWAYS MOVING.

We are known for quality, integrity and personal service.

Throughout our existence, our ability to adapt and innovate has ensured that we always deliver on our clients ever-changing needs. We work to grow our service offering – moving with change and finding innovation through fluidity.

WE ARE

mgi bass gordon

An entrepreneurial professional services firm in the heart of Cape Town.

We are focused on meeting the needs of our clients with one consolidated team of advisors and providing close, personal service through active involvement. We make it our business to understand your business and the opportunities and challenges before you. This constant interaction with clients, coupled with our integrated services, enable us to act as sounding boards for management and, because of our diverse clientele, we are able to contribute to the growth and prosperity of all our clients.

Together with partnerships and alliances with other independent consultants and service providers in asset management, investment and insurance, we are able to provide the most appropriate services when required. These developments further demonstrate our commitment to meeting the ever-evolving needs of our clients.

We are your trusted **credible alternative** to larger competitors.

We execute the
service function,
currently
lacking in many
organisations.

OUR VISION

Being recognised as the leading mid-tier professional services firm, offering a growing array of business solutions, whilst being the trusted partner of choice for those seeking more than just the ordinary.

OUR MISSION

Being a values-driven organisation offering a comprehensive range of compliance and advisory services. Putting clients first, always.

FINDING GROWTH IN
the journey

OUR VALUES

what moves us

01

CLIENT CENTRIC

We adopt a know-your-client approach to business, focussing on personal service and providing innovative, tailor-made solutions.

02

TRUST

We act in a way that engenders trust through open and honest communication.

03

SERVICE EXCELLENCE

We adhere to the ethics and standards of our profession and produce quality work, continually upgrading our knowledge by training and development.

04

POSITIVE ATTITUDE

We take pride in our work as we pursue a common goal. We live our values, contributing positively to the organisation.

OUR

approach

01

To partner with business owners and leaders in private organisations who expect and value superior client service.

02

To develop trusted relationships with our clients that allow us to provide targeted Compliance, Financial and Advisory services to assist them in achieving their business and personal financial goals.

OUR

philosophy

To encourage and make time available for more partner and client contact than our larger competitors.

To invest in long-term, value-driven relationships focused on helping our client's progress and prosper.

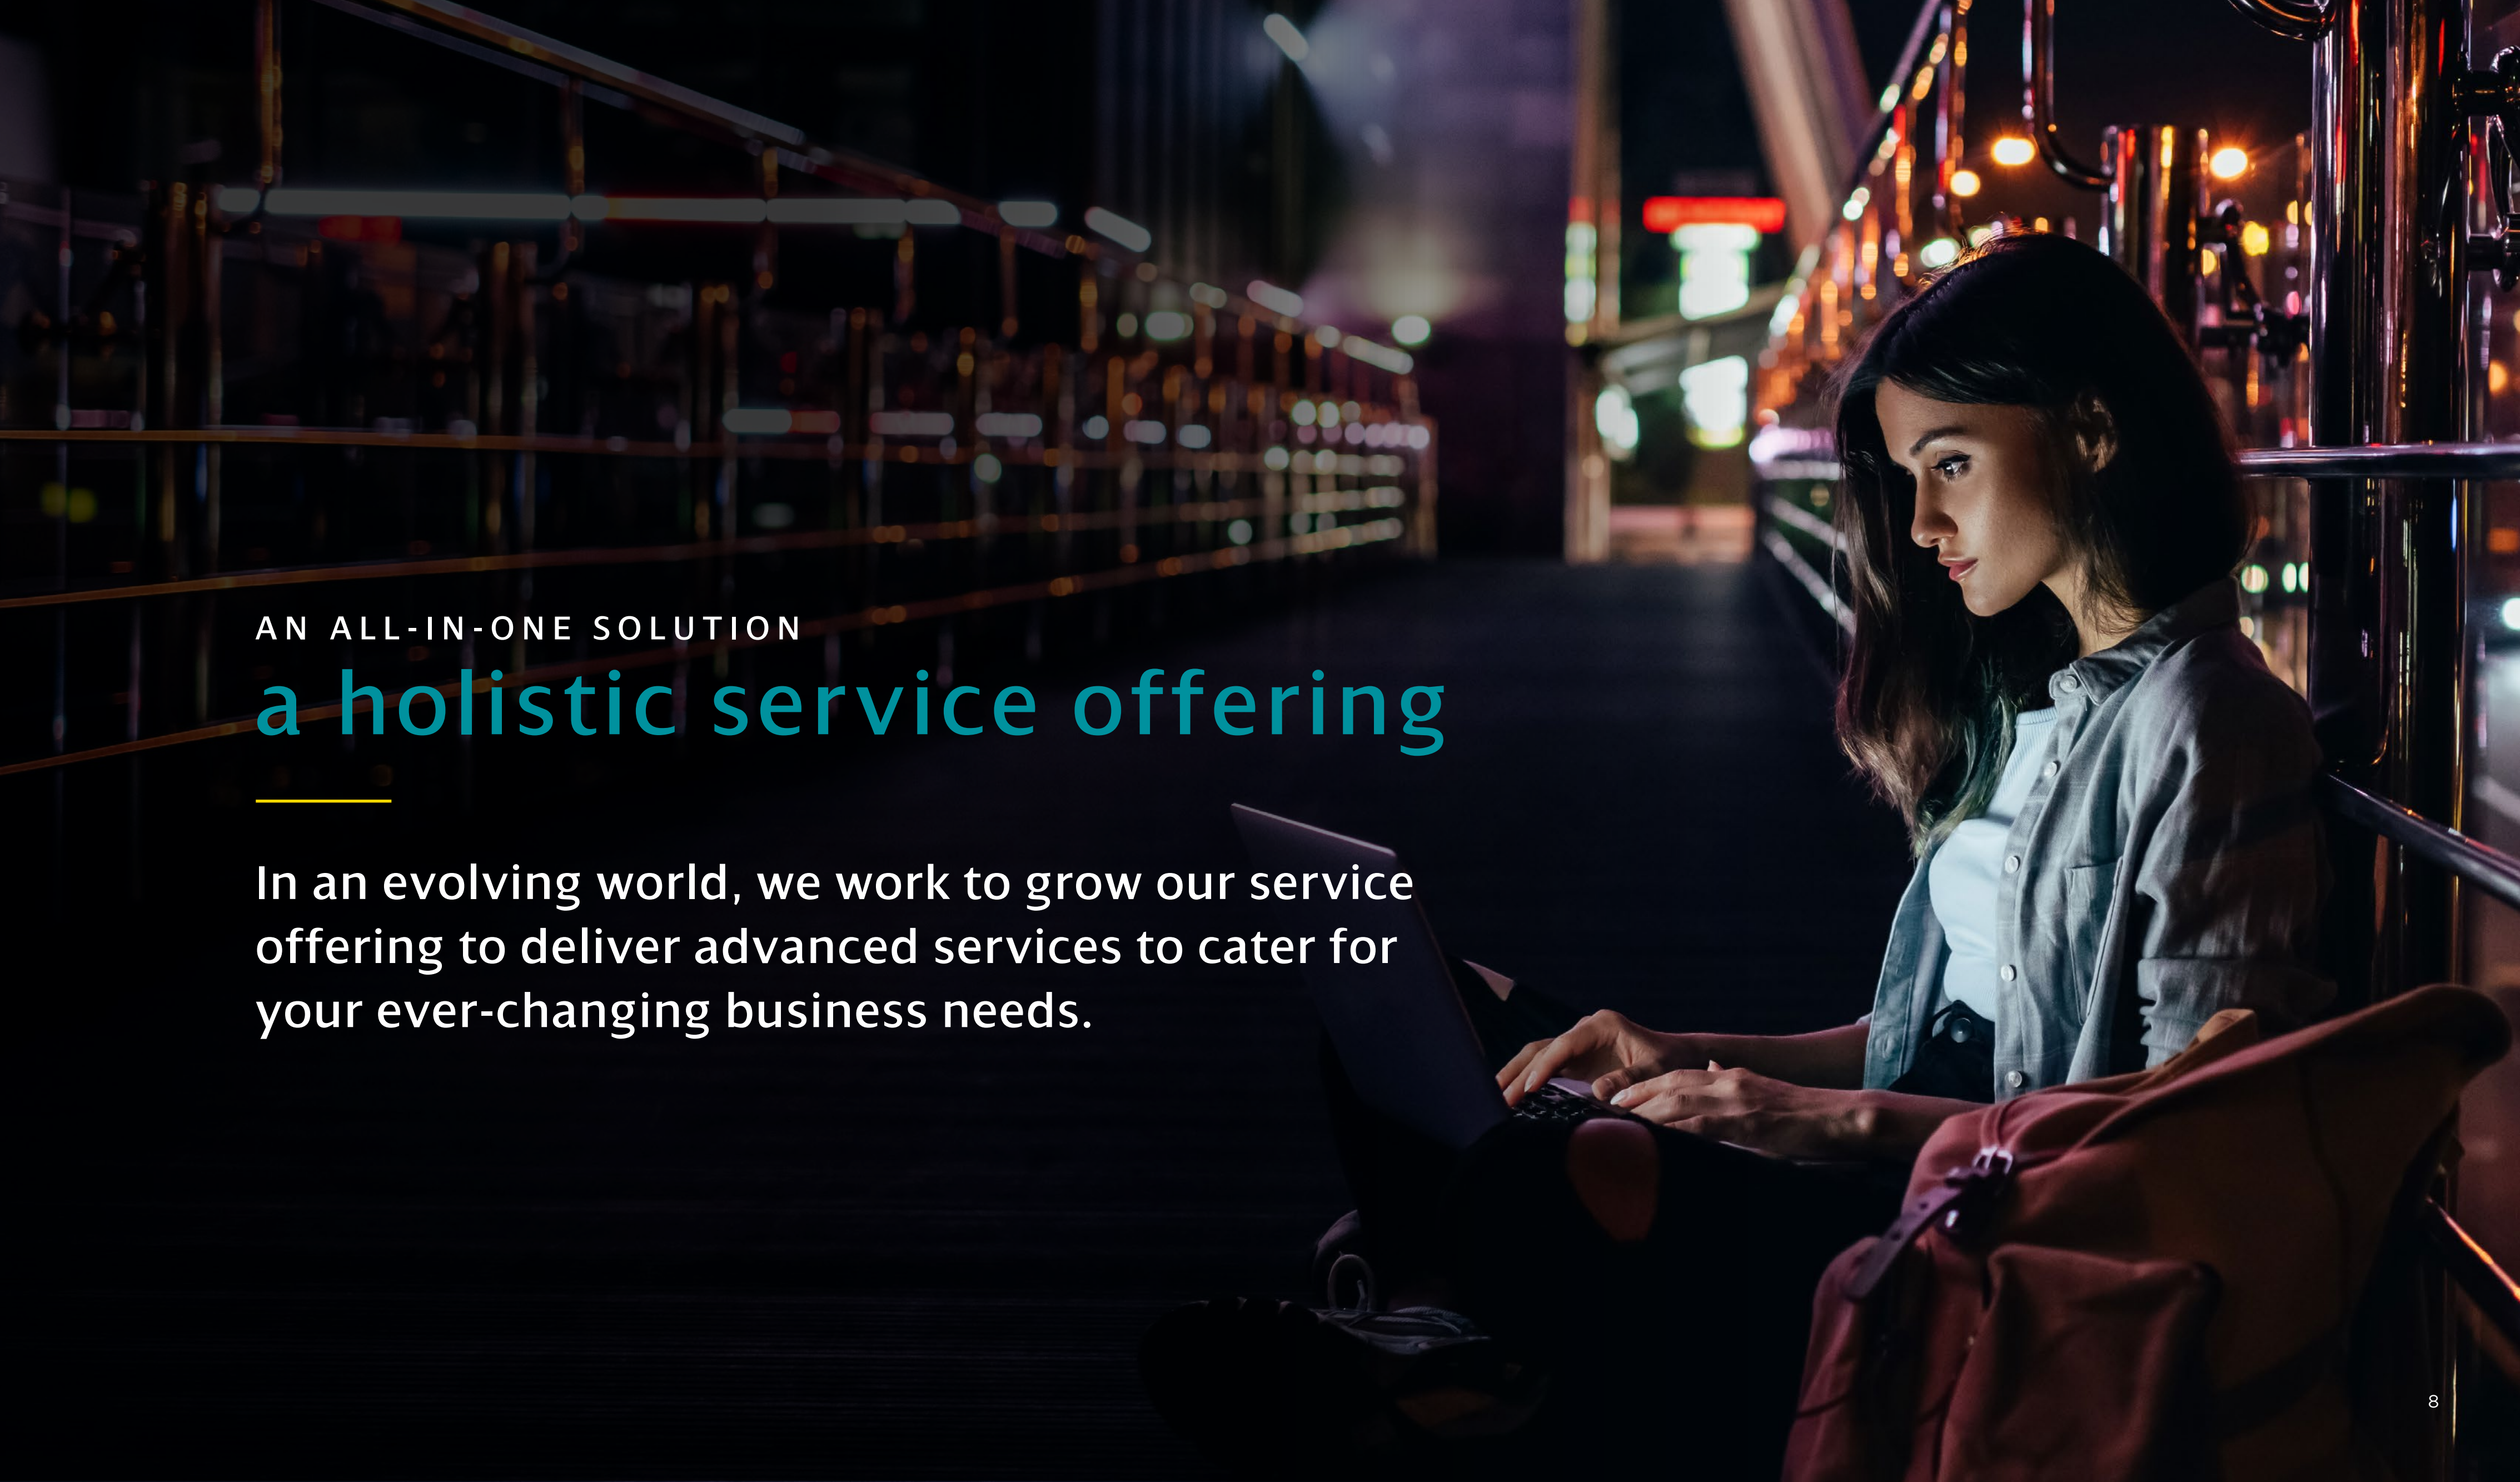

OUR

clients

Our focus has always been on privately owned businesses, high net worth families, individuals and non-profit organisations. We have amongst our clients, subsidiaries of listed companies.

We approach your business as if it was our own, and we constantly strive to add value.

The result is a more personalised service to your organisation and significant added value, as well as, an all-encompassing service, including specialist advisory services with minimal disruption to the flow of business.

A woman with long dark hair, wearing a light blue button-down shirt, is sitting on a metal railing at night. She is looking down at a laptop computer that is open on her lap. The background is a blurred city street at night with various lights and structures. The overall mood is professional and focused.

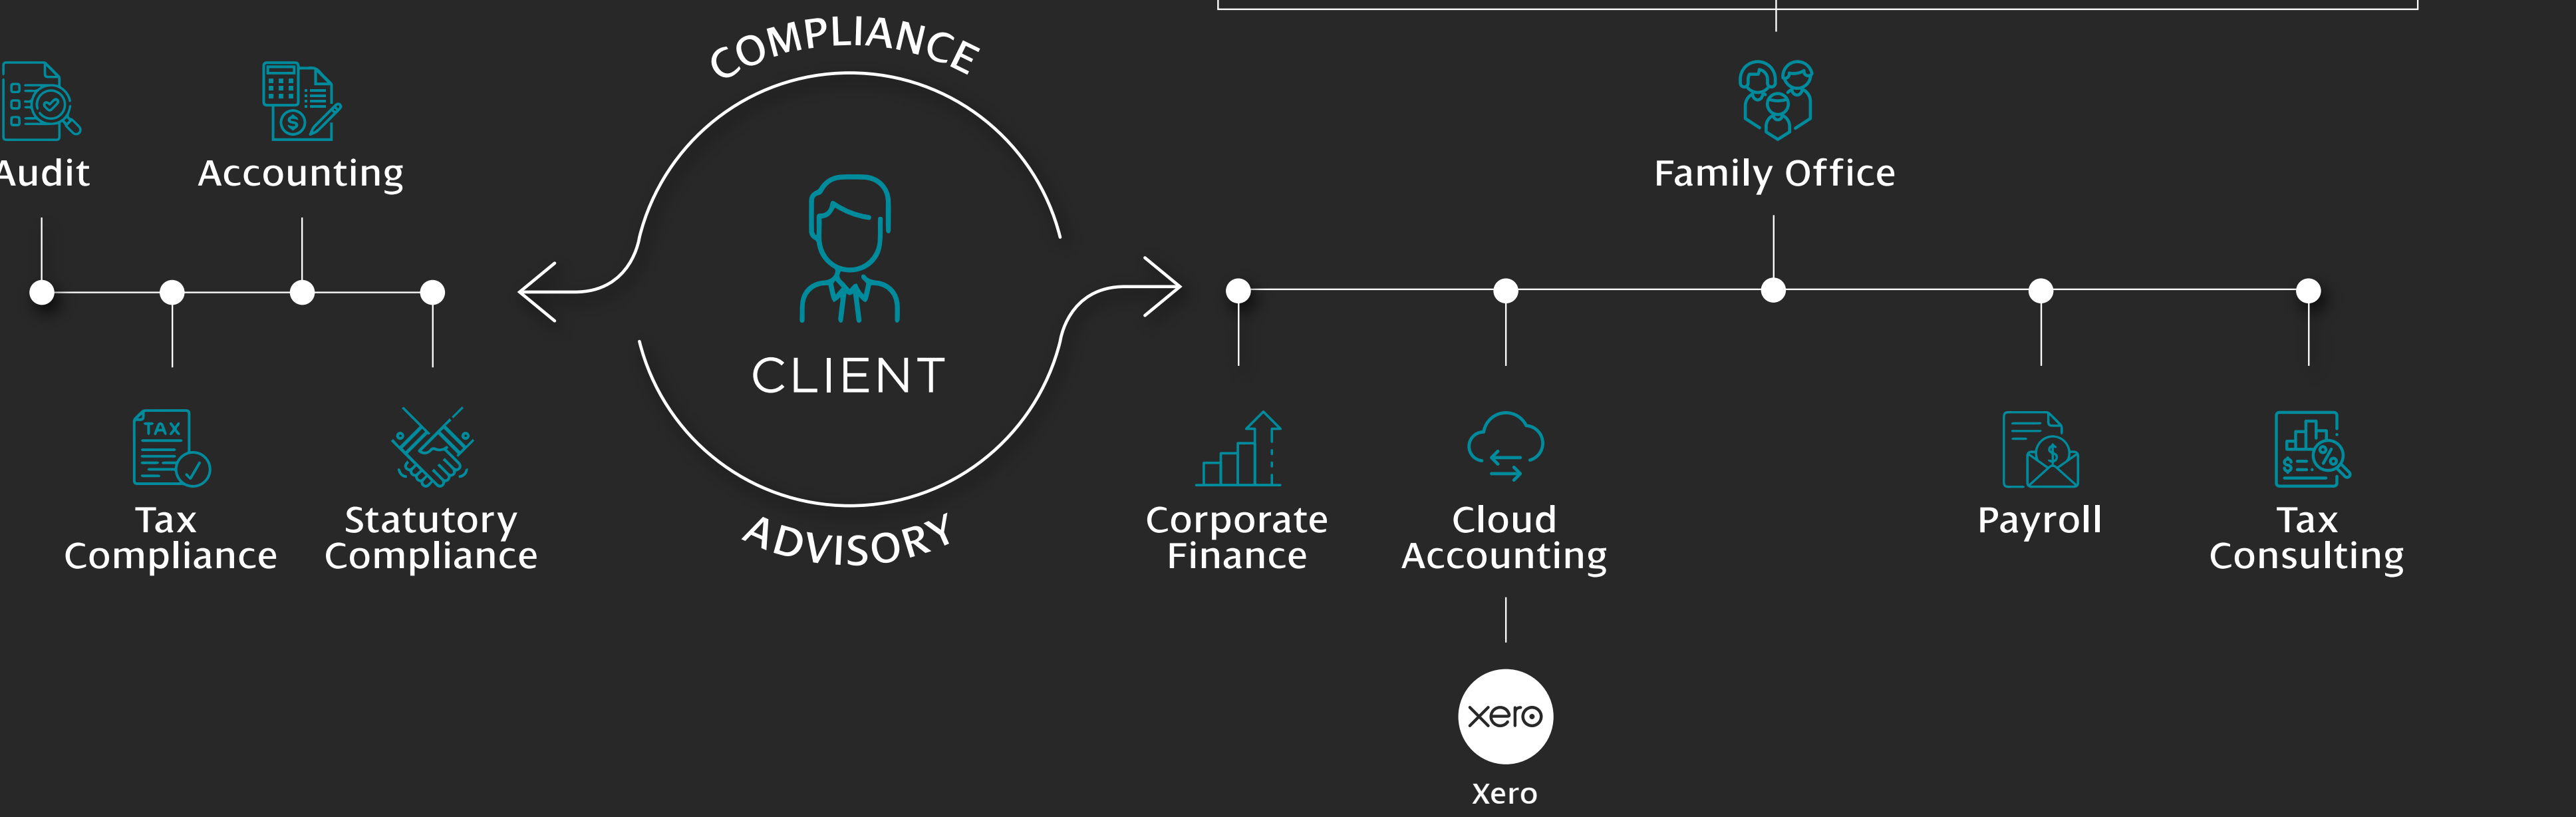

AN ALL-IN-ONE SOLUTION

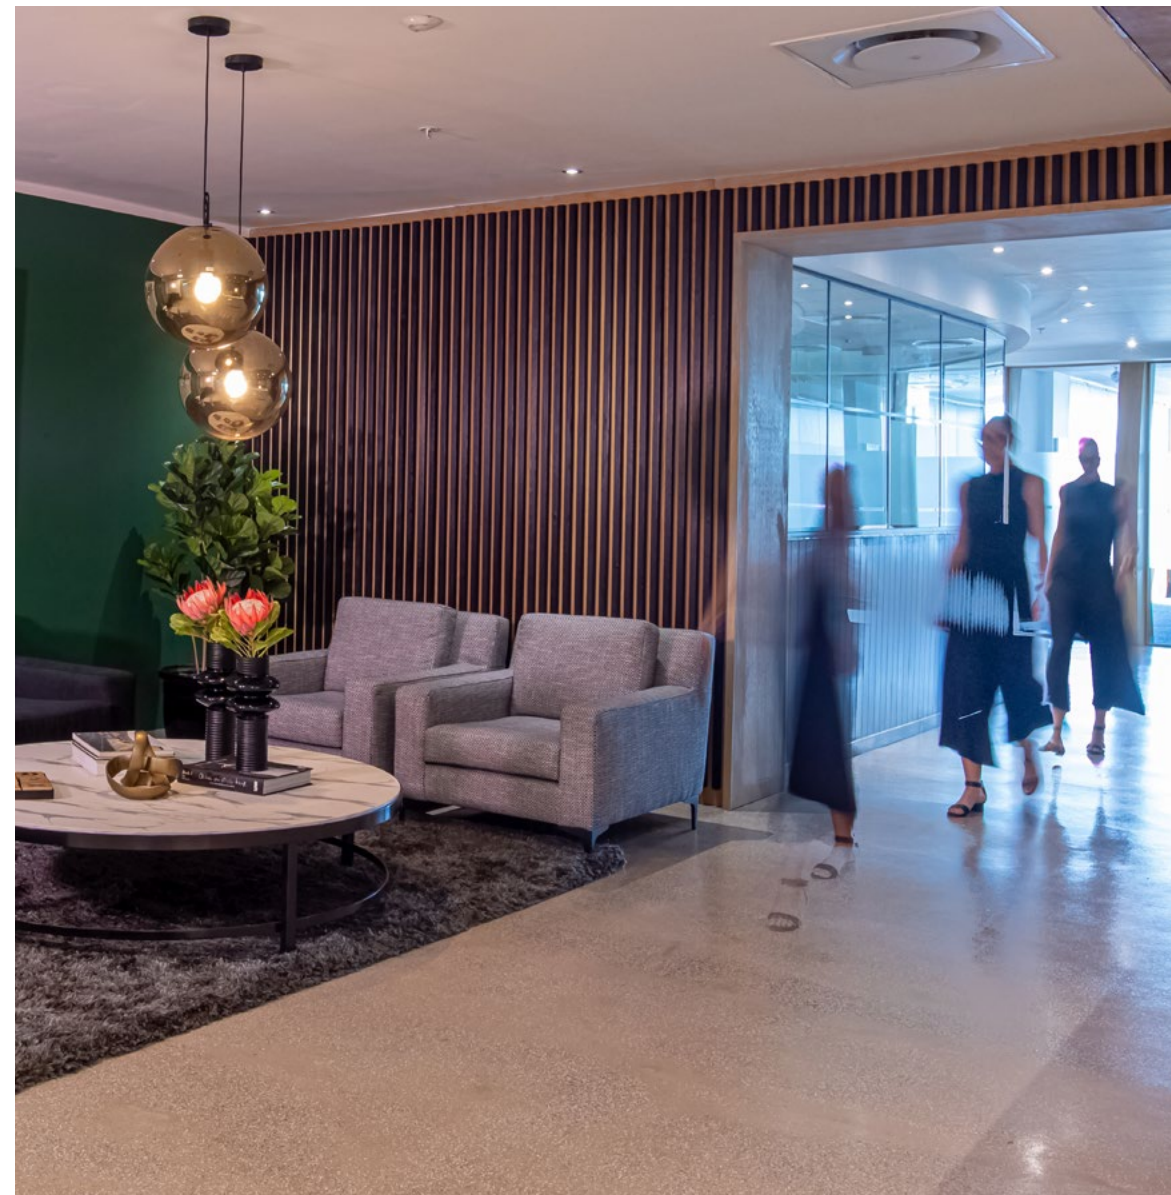

a holistic service offering

In an evolving world, we work to grow our service offering to deliver advanced services to cater for your ever-changing business needs.

OUR INTERNATIONAL NETWORK

mgi worldwide

MGI Bass Gordon is a member of MGI Worldwide, a Top 20 international accounting network of independent audit, tax and accounting firms, which brings together the expertise of more than 5,000 professionals in over 260 locations around the world.

Our membership enables us to keep abreast of important new developments, while providing a seamless international service to any of our clients looking for support abroad. Through MGI Worldwide, our firm benefits from connections with people we get to know and trust in all corners of the globe. We can help you and your operations with a quick phone call to one of our colleagues or a complete service offering – whatever you need to make your international business a success.

MGI Worldwide is a quality controlled network and, like all member firms, we are subject to review of our quality assurance systems and procedures against international standards.
